LorrieAnn Santos, Co-project  
Director & Program Manager  
**'Imi Hale** Native Hawaiian  
Cancer Network, a program of  
Papa Ola Lōkahi

A 4-hour training on available smoking cessation materials for Native Hawaiians and other Pacific Islanders in Hawai'i.

**Friday, February 20, 2009 12 noon - 4:30 p.m.**  
**`Ohana Honolulu Airport Hotel**  
**3401 N. Nimitz Highway, Honolulu**

Know the materials that are out there tailored for local audiences and those that are generic, but may still be useful. Materials will include those appropriate for pre-contemplative, contemplative stages, and post-counseling reinforcement sessions.

Each participant will be provided a resource kit of the materials presented and information on where to get more.

Participants are encouraged to bring materials to recommend to other tobacco cessation programs (please bring 25 copies for participants)

Registration: Free (paid for by a grant from the Hawai'i Community Foundation and the Pacific Public Health Training Center)

Lunch will be provided to participants who register by February 13.

To register, contact Napua Spock at
